# *Sincere Thanks*

The Trustees of MESCO Education Society, along with all its institutions, are proud to acknowledge the unwavering support, generosity, and goodwill extended by our well-wishers and donors, far too numerous to mention individually. For the past 48 years, your contributions have been at the heart of our mission and progress.

We extend our heartfelt appreciation to every individual donor, corporate partner, school, and foundation that has stood by us throughout this journey. Your commitment has strengthened our initiatives, empowered our students and enabled us to expand our impact year after year.

Your continued support has been a vital pillar of our achievements and our success story would be incomplete without your involvement. Although words cannot fully capture the depth of our gratitude, please accept our sincere thanks for believing in our vision and for investing in the future we strive to build.

## Preface

We are delighted to present the first edition of Crescent Connect, the official Alumni Directory of Crescent Grade 10 Ex Students, covering the academic years 2005–06 to 2017–18. This publication is a heartfelt tribute to the enduring bond between Crescent English High School and its students.

Crescent Connect is more than just a directory, it is a celebration of the journeys, achievements, and global footprints of our alumni who began their academic journey with us, successfully completed Grade 10 and have since ventured out into the world, charting inspiring paths in diverse fields.

Out of 546 students who passed through the halls of Crescent during this period, we are proud to have successfully gathered data on 476 alumni, an impressive feat that reflects not only the enthusiasm of our alumni community but also their unwavering connection to the Crescent family. Their stories, accomplishments and contributions are a testament to the values, education and nurturing environment that Crescent has consistently provided. We are extremely pleased that our Alumni data shows a significant number of our Graduates have become Entrepreneurs and started their own businesses.

We are particularly proud to note that 60 of our alumni are currently residing across 18 countries, a true indicator of the global presence of Crescent's legacy. Whether in engineering, healthcare, business, education or technology. Our alumni continue to excel and contribute meaningfully to the world around them. Their varied designations and roles represent the versatility and resilience that are hallmarks of a Crescent education.

This directory serves as both a repository of memories and a source of inspiration. It brings together stories of ambition, dedication, and perseverance, all rooted in the shared experience of Crescent. We hope it becomes a bridge, reconnecting old friends, fostering new collaborations and strengthening the community spirit that defines our alumni network.

We extend our deepest gratitude to the dedicated staff members who worked tirelessly to collect, verify and compile this data. Their attention to detail, persistence, and commitment have made this directory not only possible but truly meaningful.

As proud custodians of this alumni legacy, we invite all Crescent alumni to remain connected and engaged. We encourage you to share your knowledge, skills, and experiences with current students, whether through mentoring, volunteering, guest lectures, or participation in school activities. Your involvement will continue to inspire and guide the next generation of Crescent students. We are confident that our alumni will continue to uphold and spread the noble mission of MESCO Education Society.

All our Alumni are always welcome to visit Crescent. We look forward to hearing your stories; learning from your journeys and seeing you give back to the very place where it all began.

Remember ... once a part of Crescent, always a part of Crescent.

**Dr. Mohammed Abbas Khatkhatay**  
President- MESCO Education Society

# An NRI & Ex-Indian Air Force officer, revered for an unwavering commitment to education and social welfare.

*"It is only through education that we can achieve social and economic equality across all strata of society, leading to peace, prosperity, and harmony in the world."*

**MR. ALI QURAISHI**

[Chief Patron of MESCO Education Society]

In this world, there are individuals who do not prioritize their own comfort, prosperity or personal gain, but instead dedicate every moment of their lives for the well-being and advancement of society as a whole. Mr. Quraishi is one such person.

Mr. Ali Quraishi, a distinguished NRI whose name resonates with excellence, leadership and inspiration. Mr. Quraishi is not only the esteemed President of the American Federation of Muslims of Indian Origin (AFMI), but also a beacon of leadership, generosity, and service to the society. His unwavering commitment to education, youth empowerment and social welfare has made him a revered figure, not just in India, but also internationally. Mr. Quraishi's work has been instrumental in fostering a sense of unity and progress among the Muslim community both in India and the United States.

A strong advocate for educational opportunities, Mr. Quraishi has tirelessly worked to support and uplift young minds, believing that empowerment through education is the key to unlocking potential and creating lasting change. His dedication to nurturing talent and fostering dreams has touched countless lives, inspiring a new generation of leaders and change makers.

In 1993, MESCO Education Society (MES), a Mumbai-based trust, launched Crescent English High School in Kausa, Mumbra, with just 45 nursery students in rented shops. Recognizing the need for proper infrastructure, a nearby plot was acquired in 1998 with the support of well-wishers.

Crescent English School at Kausa Mumbra began in 7 shops in 1993

A major turning point came when Mr. Ali Quraishi, associated with the American Federation of Muslims of Indian Origin (AFMI), pledged significant support for building the new school. With contributions from him, AFMI and other donors, a modern school building was completed in 2010, after which the school shifted to its new campus.

Crescent New Building at Kausa-Mumbra, constructed in 2010.

Over the past 32 years, Crescent has grown into a full-fledged institution from Nursery to Jr. College. Since its first Grade X /SSC batch in 2006, it has consistently achieved 100% results across 20 batches, with class averages between 70–75%. The school is known for blending academic excellence with strong moral education, and its alumni include engineers, doctors, and professionals working across MNCs.

Although exempt from the Right to Education Act (RTE Act) as a minority institution, Crescent reserves 25% of its seats for economically weaker students, all on scholarships. As of 2025–26 it had 1,646 students, and demand continues to far exceed available seats.

The demand for the first level (Nursery Class) admission in Crescent School is so high that, every year, the school receives applications 4 times more than the number of vacancies.

*Today, as we walk through this school filled with the educational activities of students and the whispers of knowledge, we see more than just building. We see living testaments to the legacy of dedication—a legacy that continues to shape minds, nurture dreams, and create a brighter future.*

## Principal's Message

*If we have a shared goal, a clear plan and work collaboratively as a team, we can accomplish great things.*

Dear Esteemed Alumni,

I wish to express my sincere appreciation to our esteemed alumni for being an integral part of our institution's journey. As we reflect on our achievements, your enduring contributions and legacy remain instrumental in shaping our identity.

Our institution has evolved into a hub of academic excellence, fostering innovation and holistic development. Your successes, both within and beyond our walls, testify to the values instilled during your time here. We are proud of your professional achievements, community engagement and positive impact.

This directory serves as a testament to the incredible journeys you have embarked upon since leaving our halls. It is a source of immense pride that our alumni have secured positions in prestigious companies and are demonstrating remarkable commitment to advanced education and qualification.

Your success stories are not just individual triumphs; they are a direct reflection of the values and education we strive to provide. You are the living embodiment of our institution's legacy and a powerful source of inspiration for our current students. Through your experiences, you can provide real-world perspectives, mentorship and a clear vision of what is possible for those who follow in your footsteps.

This alumni directory is a crucial tool for strengthening the bonds that connect us. It is a space to reminisce, reconnect with former classmates and teachers and share the wisdom you have gained. Your active participation is what will make this platform a vibrant and useful resource for everyone in our community.

You undoubtedly appreciate the combined effort of many people—including your family members and the institution's management—who have contributed significantly to the development of your academic and professional profiles.

I commend our teachers from Preschool through twelfth grade, for guiding, supporting and challenging our students and themselves to think and learn and grow. I commend our staff, all of them, for their unwavering commitment to providing the very best learning environment possible.

Thanks to the Alumni Directory Committee for their time and hard work. They've done a fantastic job.

We look forward to your continued involvement with your alma mater. Whether through mentoring, participating in events, or simply staying connected, your support is invaluable.

With warm regards,

**Wasi Ahmed Khan**

Principal-MES Crescent English High School and Junior College

## A Proud Moment

MES' Crescent English High School & Jr. College has secured 1st Position in the **Mukhyamantri MajhiShala Sundar Shala Abhiyan**, organized by the **Government of Maharashtra**. As a mark of this achievement, we have been awarded a prize of Rs. 3 lakhs. Our school was selected at both the Taluka and District levels, standing out among 408 schools in Upazilla Resource Centre (URC) -1.
