OUR MISSION

To establish institutions of repute which would foster quality learning in a conducive environment based on values that enrich the personality of students by imparting conventional and non-conventional education especially amongst the weaker sections of the society.

OUR VISION

To empower society with Men and Women of integrity and character, through holistic education and skill training, to face challenges of the modern World as responsible citizens.

AIMS & OBJECTIVES

To promote Education amongst the general public irrespective of caste, creed, race or religion.

To establish and run Schools, Primary as well as Secondary, Technical Institutions, Hostels, Colleges, and other Institutions that will promote Education.

The Secretary's Annual Report | 2021-22

Respected President, Managing Committee and Sub-Committee members of MESCO Education Society (MES) and distinguished Patron members, Life members, Well-wishers and my staff; it is indeed my pleasure and honour to present to you this 45th Annual Report of MESCO Education Society.

As the General Secretary of MES, I feel blessed because of the dedication of my colleagues and staff members serving whole heartedly to fulfill our vision and mission. I am truly humbled by the confidence you have shown in us, to carry forward MES' aims and objectives.

We believe no meaningful and sustainable social development of communities can take place unless our children receive quality education from a very young age.

Finances during the year: A look at the Income Expenditure Account for the year ended 31st March 2022 reflects that the total income earned was Rs. 19.4 crores, of which donations and grants amounted to Rs. 14.10 crores and interest on bank deposits, school fees and miscellaneous income amounted to Rs. 5.3 crores. On the Expenses side, Rs. 4.27 crores was spent on the Institutions (Objects) and the other expenses including Rent, Taxes, Audit Fees, etc. that amounts to Rs. 72 lakhs. Surplus at the end of the year stood at Rs. 14.42 crores, which is largely due to the specific donation received for the New School's (Radiant English High School and Junior College) Construction work, which is in progress and would be utilized by the next financial year for the said purpose. The Balance Sheet reflects that the total Property & Assets stood at Rs. 32.88 crores; of which the Bank Balances stood at Rs. 13.12 crores. The Investment in fixed deposit and other approved schemes amounted to Rs. 93.75 lakhs. Immovable property was valued at Rs. 16.90 crores and Furniture and Fixture stood at Rs. 0.85 crores. Advance Fees received for the A. Y. 2021-22 amounted to Rs. 72.52 lakhs.

Administration Post relaxation of COVID-19 lockdown, w.e.f. 1st June 2021, we started the operation of our offices 5 days a week. With effect from 1st April 2021, Salary Scales for MES Administrative Staff were revised and implemented. On 28th April 2021, our President, Dr. Khatkhatay and Mr. Mohsin Shaikh (Executive Officer) attended a Grant Open House Event organized by US Mumbai Consulate. As per new

norms for FCRA (Foreign Contribution Regulation Act), on 8th April 2021, we have successfully opened a New FCRA Bank Account at SBI New Delhi Branch. During the past financial year 10 Managing Committee Meetings of MESCO Education Society were held.

As per the new norms of Income Tax Department, on 28th May 2021, MES was granted approval for Section 12 A and Section 80G of Income Tax Act from Assessment Year 2022-2023 to 2026-2027.

Corporate Social Responsibility (CSR) Funds : We have been trying to tap CSR Funds for our Institutions and New School Project and have been able to raise Rs. 8.57 crores from these efforts. We are grateful both to our Corporate donors & individual well-wishers.

On 19th May 2021, Ministry of Corporate Affairs Government of India approved MESCO Education Society as an entity for undertaking CSR activities.

Construction of New School Building / Radiant English High School Project : Throughout the past year, we continued to make progress on our New School (Radiant School Building) construction work, which is nearing completion.

We are fortunate that our donors continued to fulfill their commitment and with regular update being provided the cash flow was well maintained.

We realized from our projected cash flow that we may have a deficit of Rs. 7 Crores as we complete the total school project and as abundant precaution, we prepared various funding proposals / documentary / donation appeals/ handbills for corporate houses, local and foreign donors. We decided to visit Dubai and meet potential donors; in the month of February 2022, Dr. Khatkhatay (President), Mr. Mohsin Shaikh (Executive Officer) and Mr. Attique Kasu (Staff of MESCO) visited Dubai & Abu Dhabi from 24th February to 7th March 2022. With the blessing of Almighty, we were able to achieve our target. We place on record our gratitude to all those who supported us in this noble cause.

**Following is a brief report on our Educational Institutions:
Radiant English High School and Jr. College:**

As we were passing through an unprecedented crisis in the year, we were confident that we will overcome all the odds by our strong will and ethics and pave the way for the betterment of the education fraternity and the society in general.

Our biggest achievement in the session 2021-2022 was to conduct the online classes successfully with the helping hand of the parents, for both divisions of Nursery and another division of Jr.K.G. classes. The academic year commenced with the exclusive online classes initially; and physical classes for a few months as per the Government's notification.

During the year 2021-22, the school collectively had an enthusiastic and dedicated team of teachers with 200 students in Pre-Primary section.

On 12th February, 2022, Online Lottery for Nursery Class admissions for A. Y. 2022-23 was conducted. Against 404 applicants, we selected 200 students through the Lottery system, with this the total students strength would be 400 students during the A. Y 2022-23. At the time of admissions, through a video orientation about the Online Lottery Procedure, students' families were notified that the Classes of Radiant English High School will be conducted in our Crescent English High School premises until the New School Building of Radiant School is fully operational. On 30th March 2022, the Joint Secretary, Mantralay approved our proposal of Radiant English High School and Jr. College (from Std. I to Std. XII all 3 streams) and issued us a Letter of Intent.

Crescent English High School and Jr. College: The past two years have prompted our Crescent English High School and Jr. College to re-evaluate the ways we teach, learn, work and explore.

The Academic Year 2021-22 commenced with effect from 15th June 2021, Online School began for the academic year 2021-2022 for all the classes (Nursery to XII). Teachers welcomed the students with games and activities. Orientation Meetings were conducted for all the classes to guide them with the Timetable, Online Rules & Regulations, Assessments & Assignments, Attendance etc. Parents' queries were solved and suggestions and feedback were taken. I am grateful to our faculty, who have worked tirelessly to support our students during an exceptionally challenging time.

This school established in the year 1993, is the most reputed Educational Institution of Kausa Mumbra.

Our 17th batch of SSC (Std. X) which appeared in March 2022, also got 100% results as in the last sixteen years. Of the 72 students appeared, 6 students scored above 90%, 27 students secured distinction, 27 students secured first

class, 09 students secured second class and 03 students pass class with a class average percentage of 72.14%. Highest was 93.00%.

In our 5th batch of HSC (Std. XII) examination the topper of the Science stream secured 87.83% while Commerce stream highest was 93.67% and the topper in Arts scored 76.17%.

On 7th December 2021, Ms. Ruth Gode & Rachna Sharma (from US Embassy, New Delhi) & Ms. Simran (from US Consulate, Mumbai) visited the school with regards to starting of 'English Language Development course' for the students of Std. VIII & IX. US Embassy in India has selected our school for 'English Access Microscholarship Program' for A.Y. 2022-23 and 2023-24.

The School has registered for a 24 months' professional teachers training & school improvement programme with a Bengaluru based agency, The Teacher Foundation, which aims to improve the overall quality of teaching learning in schools.

School Admission: The number of applications received like every year were 3 times the number of seats available; the most important task was to keep the process transparent like every year. In order to achieve that, we meticulously planned the entire process taking help of the technology and innovative ideas. On 12th February 2022 the entire process of admission went Live on YouTube without any technical glitch for straight 9 hours. The School is being run in double shift, catering to 1558 students from Nursery to Jr. College (Arts, Commerce and Science Streams). Out of total students 276 students are getting Educational Support through Educational Aid Scheme of MESCO. On 28th November 2021 the School conducted its 2nd Alumni meet with immense pleasure and heartfelt happiness. During the meet, the alumni shared their current employment status and experience in the outside world. Kindly refer page no 13 to take a glance at the employment status of our Alumni.

The Nursery Schools: What a child learns in his formative years determines the future course of his achievements and future outlook to life.

Realizing the need of providing affordable quality education at this level in the backward areas, we initiated this English Medium Nursery Schools Programme in the year 1977.

Currently, we run 11 Nursery Schools under the name of Angels' Paradise Nursery Schools. Our approach is Child Initiated and Experiential Learning, The Curriculum is transacted through Play-Way Method to make learning more interesting and aims to develop inborn skills in the child. The children are provided with nutritional snacks and taught the necessary rules of hygiene. We wish to place on record our gratitude to all the sponsors of our Nursery Schools who fund us with the annual deficits and help us provide the first step to good education in the various slums where our Nursery schools are located.

Early Childhood Care and Education (E.C.C.Ed): On 11th of January, 2021, we began our Fourth Batch of ECCEd course with 15 students on roll. The training enables 10+2 (English Medium) passed students to become qualified Pre-Primary Teachers. This one year course trains the students to have effective class management skills, equip them with new teaching strategies which will develop interest in their students in the classrooms and encourage effective learning. In the month of December 2021, 14 students appeared for the final examinations and successfully completed the ECCEd course. We are happy to inform that all our students of our previous batches have been appointed in reputed schools, including 4 in our Crescent & Radiant School's Pre-Primary Section.

We are proud to share that after due diligence by Maharashtra State Board of Vocational Education, MES has been given affiliation for conducting full time Course on Pre-School Teachers' Training.

With effect from March 2022, we started this Course with a batch of 15 students on roll. After successful completion of the course, students will get Certificates from Maharashtra State Board of Vocational Education. Our passed out students would get good jobs, especially now that the New Education Policy has made it mandatory for Pre-Primary Teachers to have professional qualifications of ECCEd.

Vocational Training Centres: Dharavi and Mumbra: At the outset we wish to place on record our grateful thanks to Fr. Agnel Technical College for the guidance and support in conducting both our centres at Mumbra as well as Dharavi.

Our Mumbra Centre conducts 4 comprehensive courses, namely Electrician, Air-Conditioning and Refrigeration, Dress Making & Fashion Designing and Information Technology (all of 6 months) and MS Office and MSCIT (3 months courses). In the last 13 years, we have trained and skilled more than 1025 boys and 977 girls.

From 29th July to 28th August 2022, after the Kokan Floods, our 3 students of Electrician Course and 2 students of Refrigeration and AC Course visited Chiplun and Mahad (most flood affected areas) and volunteered their services for repairing of Home Appliances, Wiring of faulty connections, repairing & servicing of Air Conditioners, Washing Machine, Refrigerators, etc.

In our Dharavi Centre, we conduct Tailoring Course for Girls. The number of students who completed their courses during the year under report are as follows:

Mumbra Centre: Electrician- 22, Refrigeration and Airconditioning - 33, Dress Making & Fashion Designing - 46, Information Technology -75 and MS Office- 11.

Dharavi Centre: Tailoring Course- 52.

Overall MES has had a very positive year and all involved contributed to the activities. MES has a debt of gratitude to its members, well-wishers, collaborators, donors who have given generously of their time, expertise, donation in cash and kind for the development of our activities.

MES is very well served by the staff and volunteers. I also wish to thank my fellow Managing Committee Members and the Office Bearers for their valuable contribution in framing policies and reviewing the activities of the organization. I would also like to offer my thanks to our Auditors M/s. CNK & Associates LLP and all Bankers for their co-operation and support.

Thank You!

Shama Tarapurwala

AN EFFORT TO ESTABLISH ANOTHER A+ QUALITY EDUCATIONAL INSTITUTION IN KAUSA-MUMBRA DISTRICT - THANE

WHY ANOTHER SCHOOL IN THE SAME AREA?

Mumbra Kausa is a developing town near Thane city in Maharashtra State of India. The area is rapidly growing both in terms of population and residential buildings due to migration of low income group families. Most of the people are from lower middle class engaged in petty jobs and small businesses. There are many schools in the area; however, the need for schools providing quality education is glaring. To fulfill the need of the area, we are planning to construct a new school, which will help us to educate more than 3000 students.

ABOUT NEW SCHOOL PROJECT

With the intention to establish another A+ quality Educational Institution and to educate more students, MESCO Education Society (MES) applied to Thane Municipal Corporation (TMC) for a reserved plot (approximately 54,000 sq.ft. for school construction) at Kausa, Mumbra. We were fortunate to be allotted the said plot for the decided Bid Premium. The civil construction work is under progress and the New School Building will be completed by December 2022.

About the successes of some of the Students of our Vocational Training Centre

From working as a Sweeper to working as an Electrician in the same company is what Tejas' Journey of grit and determination exemplifies.

Patil Tejas completed his Secondary School Education but was interested in Technical Skills. In order to make ends meet he worked as a Sweeper at M/s. Rexon Company at night earning Rs. 3,000/- p.m.

He enrolled himself in MES's Vocational Training Centre for Electrician Course. Every day he used to travel 24 Km from Panvel to Mumbra to pursue his Electrician Course. He completed this 6 months course with flying colour and all his hard work paid off; the company where he used to work as a Sweeper offered him a job of an Electrician. After gaining 2 years experience he joined M/s. Techno Imagine System company as a Technician, earning Rs.30,000/- p.m.

We all go through life hoping to find our dream job - the one job that fulfills us - and with hard work and consistent effort we might find it. Katke Anil, a young man living his best life through the power of skill training.

Katke Anil always dreamt of going Offshore and working on Oil Rig as Electrician. To fulfill this dream, after completing his Higher Secondary exam he joined MES's Vocational Training Centre and completed 6 months' Electrician Course. To gain the Industrial experience he joined a private company as an Electrician. After 2 years of experience, he tried for a job at Oil Rig in Qatar and was successfully appointed for M/s. Roustabout at Seadrill International Ltd. at Qatar, earning Rs. 50,000/- p.m.

Falak's self belief and hard work won against all the obstacles.

Nothing could stop this special person to achieve what she desired.

Falak Ansari is a specially abled child. Unfortunately she met with an accident during her final year of B. Com. She was keen in Tailoring and Fashion Designing and hence enrolled for the course in MES's Vocational Training Centre. Her undying spirit was too strong and she never gave up her course in spite of ill health. She secured first rank in her batch as her stitching and presentation skills were excellent. She now owns a Boutique and manages to earn Rs. 25,000/- to 30,000/- p.m.

Hard work and consistent efforts can help you realize even the most impossible dream.

Farhan Ansari is a resident of UP belonging to a lower middle class family, he wanted to support his family. He came to Mumbai to get a good technical training. One of his friends, guided him to take admission in Refrigeration & Air Conditioning (RAC) Course at MES's Vocational Training Centre. Through his punctuality and diligence, Farhan not only managed to complete the RAC Course but also topped his batch, his hard work paid off and today he is working as a Technician at M/s. Right Way Specialist LLC in UAE and drawing salary of Rs. 50,000 / p.m.

To realize his dream of starting his own business; Abdus Samad worked hard and took right decisions at the right time.

Mujawar Abdus Samad was working with his father as an Electrician. But he always dreamt of starting his own business. He completed 6 months' Electrician Course from MES's Vocational Training Centre and started chasing his dream. Within 2 years, with his determination and perseverance he started his own business in the name of M/s. Vibrotech Balancing in Rabale area; earning more than Rs. 50,000/-p.m.

From being called Sweeper's daughter to being called an IT Professional is how Sapna Hiralal has transformed her life.

Sapna completed B.Com but was lacking Computer competency. Her mother (Sweeper in a local school) guided her to join MES's Vocational Training Centre for Information Technology Course. She successfully completed this 6 months Course; on the basis of this course she is selected in M/s. Reliance Digital as a Computer Operator, earning decent salary of Rs. 17,500/- p.m.
