(10/10/1944 - 09/01/2021)

Dr. Azhar Ali Qureishi, President of MESCO Education Society and MESCO passed away on 9th January, 2021. He was the real COVID-19 warrior who succumbed to the COVID-19 infection while treating poor patients in the slums of Dharavi, Mumbai.

He was one of the founder members of MESCO Education Society and MESCO (the parent organization). His passing away is an irreparable loss for MESCO Education Society and for myriads of his patients whom he strived to serve until his last breath.

He was the perfect President. Surely, in his departure, MESCO Education Society and MESCO have lost a leader who knitted both the organizations together and played a pivotal role of leadership in bringing it to the zenith of success.

He will be missed by all who knew him, because of his social concerns, simplicity and humbleness.

## SECRETARY'S REPORT

**Dr. M. A. Khaikhatay**

I hope you and your family are safe and healthy in these difficult times. Due to COVID-19 pandemic and various restrictions and lockdowns announced by the State and Central Govt., this year has been one of unprecedented challenge for all. COVID-19 has been cruel & has snatched away many of our loved ones.

Dr. Azhar Ali Qureishi, a passionate family physician and a true friend, mentor and esteemed colleague of 53 years died due to COVID-19 on 9<sup>th</sup> January, 2021, a true COVID Warrior.

MESCO Education Society (MES) grieves the loss of Dr. Azhar Ali Qureishi, one of the founder members of MES. Surely in his departure MESCO Education Society and MESCO (the Parent Organization) have lost a leader who knitted both the organizations together and played a pivotal role of leadership in bringing it to the zenith of success.

He was respected by all of us, his colleagues; he followed a very democratic process in discussions during Board meetings, where each one could express what they felt, a true leader who stood for no nonsense and was a person with impeccable integrity. Our heartfelt condolences to his wife, daughter and family members. May his soul rest in eternal peace and may he get the best place in Paradise. Ameen.

I have been assigned the onerous responsibility of President of MES, w.e.f. 10<sup>th</sup> January 2021. Please pray that I am able to follow the footsteps of Dr. Qureishi.

On 4<sup>th</sup> February 2021, we received another sad news; our Statutory Auditor, Mr. Mohsin Contractor (Senior partner at M/s. CNK Associates LLP) passed away. I believe Mohsin bhai was sent to us by the Almighty, he guided us and helped MES and MESCO put all checks and balances in place. We pray for his everlasting peace and highest place in Paradise. Ameen. M/s CNK Associates LLP will continue to be with us and work with the same fervour.

During the year under report, we welcomed and inducted Mr. Hafizullah Baig as a Patron Member of MESCO Education Society.

During the past year, amidst travel restrictions and lockdowns, we ensured safety and wellbeing of all our employees and also facilitated a seamless transition for employees to work from home. I am immensely proud of the achievements of our staff during this most challenging time and thank them for their dedication & sincerity in delivering

expected results. I take this opportunity to also record my appreciation for my fellow Managing Committee Members for guiding the Organization amidst this challenging situation.

**Finances during the year:** The Balance Sheet for the year under report shows that the Trust Funds/Capitalized amount stands at Rs. 6.62 Crores, while investment are at Rs. 80.73 lakhs.

The Income & Expenditure Account for the same period shows an income of Rs. 6.01 Crores (including Rs.1.77 Crores donation for New School Construction) as against an expenditure of Rs.4.36 Crores, leaving a surplus of Rs. 1.65 Crores for School Construction; the said surplus amount will be utilized in the next financial year for the said purpose.

In the coming year, the continued impact of the COVID-19 pandemic, stagnant economic performance, and a downturn in many sectors would all pose challenges to finances of our Institutions.

**Following is a brief report on our Educational Institutions:**

**Crescent English High School and Jr. College :** Due to COVID-19 lockdown and various Government Resolutions, we started academic year (20-21) for 1506 students with virtual teaching through PPTs, videos, worksheets, Google Forms and Online classes. We have adopted such teaching methods/ techniques that can reach all our children. Periodical Assessments & Evaluations were conducted for the students and their progress were informed to the parents. Academic Promotion, were done on students yearly performance.

The performance of our Std. X students was outstanding; for the 16<sup>th</sup> consecutive year we have achieved cent percent results. Of the 77 students who appeared, 12 students scored above 90%, 44 students secured distinction, 29 students secured first class and 4 secured second class with a class average percentage of 74.75. Highest % was 96.60%. Our fourth batch of HSC have also secured cent percent result in all three streams. The topper of the Science stream secured 95.67% while Commerce highest was 94.33% and the topper in Arts scored 90.33%.

Due to COVID-19 lockdown, most of the parents were financially incapable for paying full year's school fees for their children; quite a few parents had expressed that they may be forced to withdraw their children because of their financial situation, hence, we decided to reduce 25% of the fees for all students across the board.

Our sincere staff realized the grim financial situation of the school and volunteered for a reduction of 15% in their salaries, so that we could manage the entire Academic Year 20-21. I am immensely grateful to all the staff of Crescent English High School & Jr. College for rising to the occasion.

**Nursery Schools :** Angels' Paradise Nursery Schools is a programme that provides stimulating early childhood Education in 12 marginalized areas. This project was initiated in the year 1977 and has enabled 80% to 85 % of over 10,000 students access good English Medium Schools of their respective areas. During the year under report our 12 Nursery Schools catered to 66 students.

Due to COVID-19 we were unable to conduct our regular classes, but managed to send 145 educational videos (prepared by our teachers) to the parents, so that parents can keep their wards engaged in Educational Activities at home.

Our Nursery Teachers coordinated with parents and interacted with the children on Whats app video calling. Though we shifted our learning to the online medium as a response to COVID-19, but we cannot ignore the challenges faced by children in slums. One of the major challenges faced was that many families residing in slum areas do not have smart phones; few parents said that they don't know how to use WhatsApp, while some parents were working for essential services and needed to take their only phone with them on duty. It was also discovered that there were constraints like in a household with two to three students having just one smart phone. In spite of all these issues, our teachers have kept up to the expectations of the Parents and MES Management.

**Early Childhood Care & Education (ECCEd):** A Pre-school Teacher is a facilitator, a mediator who enables the child to grow naturally, help the child to connect to himself and his environment without any stress. Looking at the number of schools coming up in Mumbra Kausa, the density of population prompted by the lack of awareness in Early Childhood Education, we started this one year Teacher Training Programme from 2017-18.

An empowering tool for young mothers and aspiring teachers in the locality as they do not need to travel outside Mumbra for early employment. The Curriculum is designed to cover the education and care of children right from birth to 8 years.

Besides theory, the Teacher Trainees are given exposure to observe live classrooms, visit other schools, Integrated teaching on Google Forms, workshops on different topics necessary for Teachers. Our Trainees attend all the programs conducted in our School like Annual Sports, Annual Day, Teaching Aid Exhibitions, celebration of National Festivals etc. During the year under report, 15 Teachers Trainees had enrolled for this course. We are proud to share that 100% students of our ECCEd course have been appointed in reputed schools.

**MES's Vocational Training Centers (MESVTC) :** In the year 2007-2008 for school dropout students at Dharavi we started our first Vocational Training School in collaboration with

Jan Shikshan Sansthan, a Govt. of India undertaking. In the year 2008-09, we launched our Second Vocational Training School at Mumbra Kausa in Thane District, in collaboration with the renowned institute Fr. Agnel Polytechnic Bandra.

It aims to provide training to boys and girls from weaker section of the society so that they make utmost use of their newly acquired talents, achieve better economic status.

Our Mumbra Centre conducts 4 comprehensive courses, namely Electrician, Airconditioning & Refrigeration, Dress Making and Fashion Designing and Information Technology (all of 6 months) and MS Office and MSCIT (3 month courses). All these course are application based with limited theoretical learning. During the lockdown we completed the theoretical portions in the online classes and after the relaxation in the lockdown, we conducted practical classes in small batches with all precautionary measures. In the last 12 years, we have trained and skilled more than 973 boys & 940 girls. During the year under report, total 79 boys & 51 girls were trained. In our Dharavi Centre, we conduct Tailoring course for girls; during 20-21, 30 girls completed the course.

**Radiant English School (New School Project):** After the relaxation in lockdown restrictions, MESCO Education Society has begun the Civil Construction work of its second proposed school (Radiant English High School & Jr. College, and Vocational Training Centre). The work is well under way and is expected to be completed by June, 2022 (next academic year), if we are able to raise the requisite funds. The New School building (Basement+ Ground Floor + 5 Floors, with approximately 90,000 Sq. ft built up area) will also house a Vocational Training Centre (encompassing 12,000 Sq.ft). MES will be conducting this New School (Radiant English High School & Jr. College) on the same lines as Crescent English High School and Jr. College, This school will have double the capacity of Crescent English High School.

For this new school project, we have donation commitments upto 80% of the total cost but still need to raise about 20% of the total project cost. We solicit funds for this noble cause.

We are hopeful that with our passion and support from well-wishers and donors, we shall realize the dream of establishing yet another magnificent school.

We thank Almighty for helping us to make it through this difficult year. Do take good care of yourself and your family and follow precautionary safety measures to tackle this pandemic. May the Almighty protect all of us.

Thank You !

Proposed Elevation of the New School Building

**WHY ANOTHER SCHOOL IN THE SAME AREA?**

Mumbra Kausa is a developing town near Thane city in Maharashtra State of India. The area is rapidly growing both in terms of population and residential buildings due to migration of low income group families. Most of the people are from lower middle class engaged in petty jobs and small businesses. There are many schools in the area; however, the need for schools providing quality education is glaring. To fulfill the need of the area, we are planning to setup a new school, which will help us to educate more than 3000 students.

# Our Condolences

**Mr. Safarali Hasanali Panjwani**  
(14/02/1941 - 10/08/2021)

**Mr. Hilaluddin Shaikh**  
(30/01/1941 - 08/10/2021)

MESCO Education Society is deeply saddened by the demise of Mr. Safarali Panjwani (one of the seven founding members of MESCO). He passed away on 10th August 2021.

MESCO (the parent organization) immensely benefited from his dedicated and hardworking nature during his tenure as a Managing Committee Member.

May the Almighty accept his services for the Society.

Our prayers and thoughts are with the bereaved family of Mr. Panjwani. May the Almighty forgive all his shortcomings and grant him highest place in heaven... Ameen.

We are pained on the sad demise of one of our Advisory Committee Member, Mr. Hilaluddin Shaikh, who passed away on 8<sup>th</sup> October, 2021.

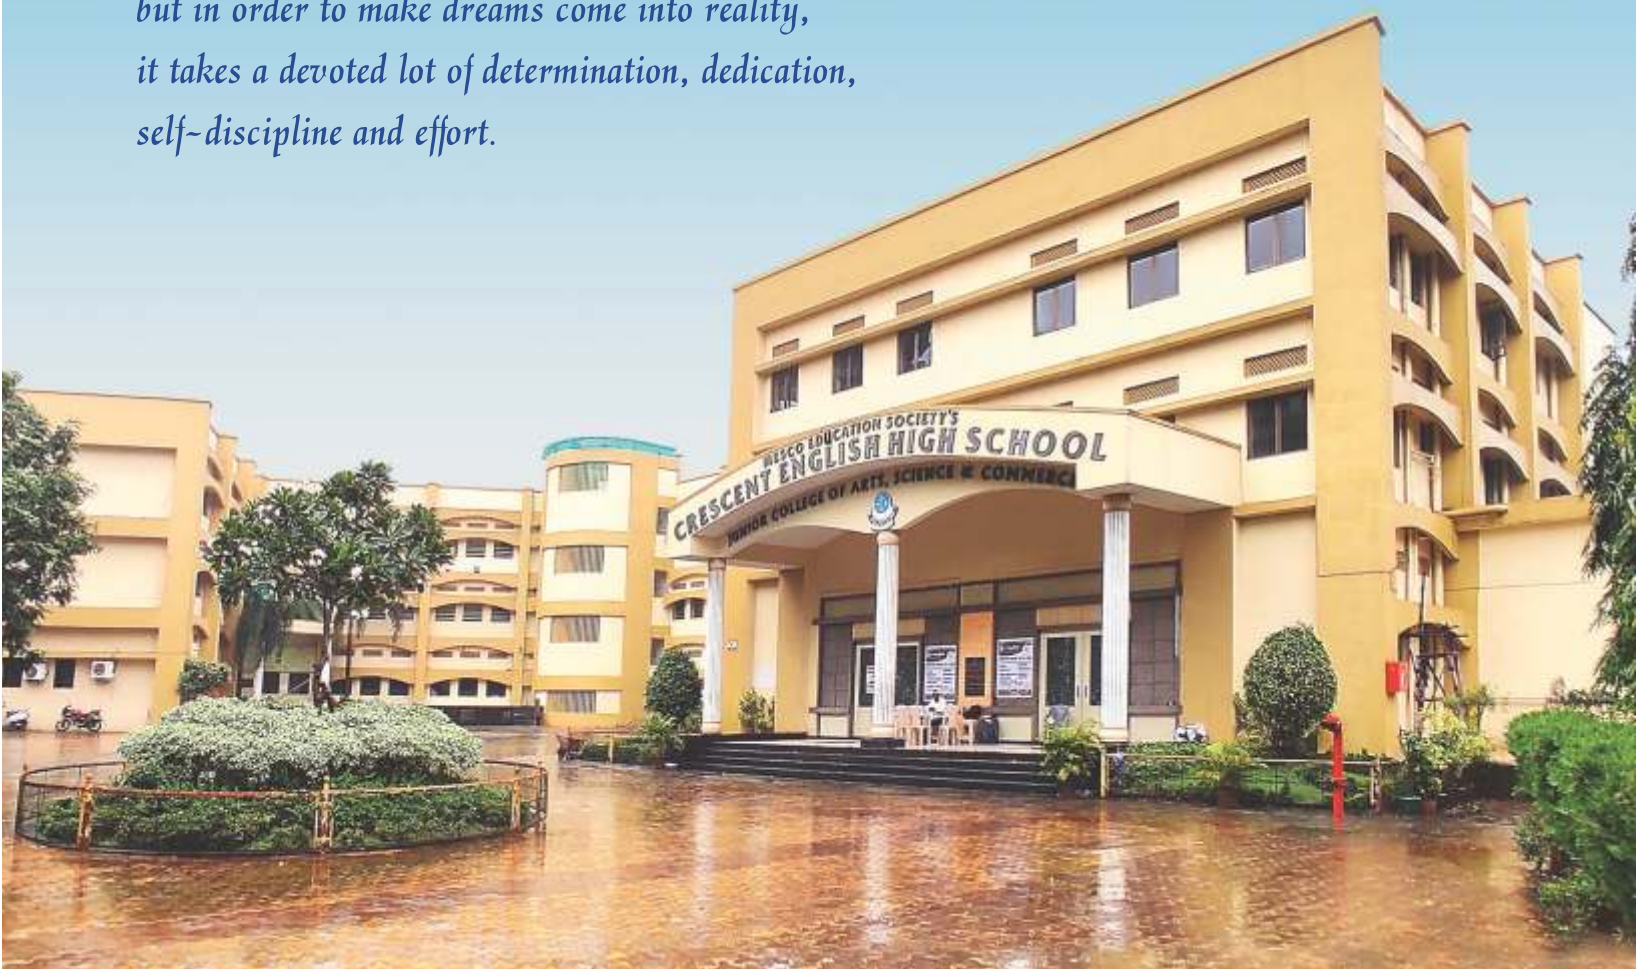

Mr. Hilaluddin was a great pillar of MESCO and MESCO Education Society (MES) as a Managing Committee member, and served the causes of both the organization for over 3 decades. He was an Office Bearer for almost 2 decades where he held the post of Manager.

He was a champion of the poor and worked relentlessly for MESCO and MES.

We pray to the Almighty to pardon all his failings and shortcomings and grant him, everlasting abode in heaven and grant patience to his near and dear ones. Ameen!

*We all have dreams,  
but in order to make dreams come into reality,  
it takes a devoted lot of determination, dedication,  
self-discipline and effort.*
